NOTE.—Schedule C—Aiyansh, second class matter, ordinary surface rates.

(7) **Similarity in Post Office Names.**—The Postmaster, Melville, Sask. reports the receipt at his office of a considerable quantity of mail addressed to Nelville, Sask. Melville is on the Reg. and York RPO and Riv. and Sask. RPO while Nelville is served from Swift Current, Sask.

The Postmaster, High River, Alberta states he is receiving a considerable quantity of mail for High Prairie, Alberta. High River is served by Leth., Mac. and Cal. HS and Leth., Vul. and Cal. HS. while High Prairie is served by the Ed. and McL. RPO.

Particular care should be exercised to see that mail addressed to the above mentioned Post Offices receives proper distribution.

The Postmaster, Rosseau, Ontario, reports the receipt at his office of a considerable quantity of mail addressed to Rosseau Road, Ontario, with the result that the Rosseau Road mail is delayed approximately three days.

The Postmaster, Sydney, N.S. also reports the receipt at his office of a considerable quantity of mail addressed to Sydney, N.S.W. Australia and Sidney, B.C.

Particular care is to be exercised in the sortation of mail for these post offices.

(8) **Mail for Canadian Forces in the Middle East.**—With reference to notice No. 9 on this subject in the December Supplement it should be noted that mail for the RCAF Squadron serving with the Canadian element of the United Nations Force is to be addressed as follows, as this Squadron will be operating apart from the remainder of the Force:

Number, Rank, Name,
Unit,
CAPO 5048,
Canadian Forces Middle East.

The postage rates applicable are those mentioned in the Supplement referred to above.

(9) **Hungary—Mail Service Resumed.**—Effective immediately, all mail service—surface and air—is resumed to Hungary under the same conditions which applied before the suspension, except those for gift parcels and letter packets which have been amended as indicated below.

Gift articles addressed to individuals and organizations are admitted into Hungary free of duty until further notice. All mailable articles necessary to the addressee and his family, including clothing, food, medicine, etc. may be sent. All restrictions as regards weights, quantities, canned foods, etc. published in Weekly Bulletin No. 1756 of 6th November, 1954 are cancelled.

Articles in commercial quantities and narcotics are excluded.

Mailers should be reminded that the weight limit of parcels to Hungary is 20 lb. and that of letter packets is 4 lb. 6 oz. Export permits are required if the value of the parcel exceeds $25.00.The nearest Customs Office should be consulted by the mailer.

(10) **Address of Mail for Azores and Madeira.**—The address of mail for the Azores and Madeira should not include the word "Portugal" as this may result in mis-routing and delay in delivery. The country of destination should be indicated merely as "Azores" or "Madeira" as the case may be.
Whenever possible prospective mailers should be informed accordingly.

(11) **Air Mail Rates to the Canadian Armed Forces in Europe.**—In order to dispel any possible uncertainty which may exist, attention is directed to the fact that the postage rate on air mail letters to personnel of the Canadian Armed Forces in Europe is 15c. per half ounce. Forces Letters may be mailed at the rate of 5c. each.

(12) **United States—Insured Parcels.**—Effective 2nd January, 1957, the minimum insurance fee for United States domestic parcels will be 10c. instead of 5c. as at present. This change will also apply to parcels mailed in the United States for delivery in Canada, under the terms of the Postal Convention with that country.

At present United States insured parcels valued up to $5.00 subject to an insurance fee of 5c. and those valued between $5.00 and $10.00 subject to a fee of 10c. are marked to indicate the fee paid. Effective 2nd January, 1957, such parcels will be stamped simply "insured" with no indication of the fee collected, although use of old labels showing payment of 5c. or 10c. fees will be permitted for a reasonable time after that date.

Parcels subject to an insurance fee of more than 10¢ will be numbered.

(13) United States Customs Clearance and Delivery Fees.—Enquiries have been received in connection with the additional fifteen cents in postage collected on delivery on properly prepaid parcels mailed in Canada, addressed to the United States.

Information in this connection may be found on page 145, section 630 of the current Postal Guide, reading as follows:

A fee of 10¢ is collected in the United States for customs clearance and accounting. In addition the United States Post Office Department collects 5¢ as a delivery fee on all parcels from Canada.

As indicated above, these fees are imposed by the United States Authorities and interested mailers may be informed accordingly.

INFORMATION FOR POSTMASTERS

(1) Promotion in Operations Branch.—Mr. G. S. McLachlan, Administrative Officer 3, in the Procedures and Examinations Division of the Operations Branch, was promoted Postal Superintendent of the Procedures and Examinations Division in the Operations Branch, effective the 11th December, 1956, vice Mr. C. B. McNabb.

(2) Similarity in Post Office Names.—A considerable quantity of mail addressed to Creighton, Sask. is being received at the Crichton, Sask. Post Office.

Crichton, Sask. is served by M. Jaw. & Shaun. R.P.O. while Creighton, Sask., a non-post office point, is served through Flin Flon, Man.

Particular care is to be exercised in the sortation of mail addressed to Creighton, Sask.

(3) Morocco—Closing of British Postal Agency at Tetuan.—Mail, including parcels, addressed to the British Post Office at Tetuan, Morocco can no longer be accepted, as a result of the closing of that office. The words "British Post Office" should not be included in the address of mail for Tetuan.

All mail addressed to Tetuan will be subject to the conditions applicable to such articles for the Northern (former Spanish) Zone of Morocco.

A suitable amendment to the Postal Guide is published in this Supplement.

(4) **United States—Air Mail Envelopes Prohibited for Surface Mail.**—The domestic postal regulations of the United States prohibit the use of envelopes intended for air mail (with coloured borders, etc.) for the transmission of correspondence by surface means.

Mailers should, therefore, be advised not to use such envelopes (even if they are not marked "By Air Mail") for ordinary surface correspondence addressed to the United States, in order to avoid possible confusion and mistreatment.

(5) **United States—Address of Mail for State of Missouri.**—Information has been received that mail destined to post offices in the State of Missouri is regularly delayed because it bears the abbreviation "Miss." the official abbreviation for the State of Mississippi.

The abbreviation for the State of Missouri is "Mo." and all mail for delivery in that State should bear this abbreviation, or the name of the State in full, in order to avoid confusion and consequent delay in transmission.

When possible, interested mailers should be reminded accordingly.

(6) **Insurance Label 176 Must Be Affixed To Insured Air Parcels Addressed to Other Countries In the Same Manner As For Surface Parcels.**—It has been reported that insured air parcels are being received in Great Britain from Canada without the required insurance label No. 176.

The attention of all postal employees is, therefore, directed to the necessity of affixing label No. 176 to each insured air parcel addressed to another country. The insurance number must also appear on the parcel—surface or air. The purpose of this red label is to make certain that insured parcels will be observed at the despatching exchange office and properly handled. The absence of the label in the case of insured air parcels results in delay in delivery and may result in their being treated as ordinary parcels.

Postmasters should make requisition for these labels if necessary from their usual source of supply.

INFORMATION FOR POSTMASTERS

(1) **Promotion in Financial Branch.**—Mr. T. H. O'Gorman, Departmental Accountant 6, in the General Financial Division of the Financial Branch, was promoted Postal Superintendent of the Money Order Division in the Financial Branch, effective the 17th January, 1957, vice Mr. J. E. Beauvais.

(2) **Promotion in Operations Branch.**—Mr. R. D. Myers, Administrative Officer 2, in the Time-study and Methods Division of the Operations Branch, was promoted Postal Superintendent of the Time-study and Methods Division in the Operations Branch, effective the 4th January, 1957, vice Mr. J. H. Noonan.

(3) Transmission of Day-Old Chicks by Parcel Post.—As the season is about to commence during which live day-old chicks may be shipped at parcel post rates at the risk of the sender to places within Canada and the United States, Postmasters are requested again to read the section on page 48 of the Canada Official Postal Guide, outlining the manner in which such shipments should be prepared before acceptance for transmission by mail.

(4) Air Stage Service—Gaspe—Port Menier—Cam 65.—An Air Stage Service has been authorized between Gaspe and Port Menier, P.Q.

This service will operate on a frequency of two round trips per week the year round.

Ordinary (surface) rates of postage will apply to all classes of mail conveyed over this Air Stage Service.

(5) Similarity in Post Office Names.—In notice No. 1 of the Supplement of February 1956, reference was made to mail addressed to Cardinal Heights, Ontario being missent to Cardinal, Ont.

The Postmaster, Cardinal, Ontario reports that he is still receiving a considerable quantity of mail addressed to Cardinal Heights, Ontario. Mail addressed to Cardinal Heights, Ontario should be forwarded to Ottawa, Ontario for disposal.

Particular care is to be exercised in the sortation of mail addressed to Cardinal Heights, Ontario.

The Postmaster at Quilchena, B.C. reports that a considerable quantity of mail, intended for Qualicum Beach, B.C., is being missent to his Office.

Mail matter intended for the new Post Office of Elmvale Acres—Ottawa, Ontario is frequently being forwarded to Elmvale, Ontario.

Some correspondents are omitting the "Acres" portion from the address of Elmvale Acres with the result that this mail more or less automatically is sent to Elmvale, Ontario. However, such mail often includes the name of a street and high number in the address and this mail should be sent to Elmvale Acres—Ottawa, Ont.

Particular care should be exercised in the sortation of mail for these Post Offices.

The Postmaster, Cassiar, B.C., whose office is served by the Cassiar, B.C. and Watson Lake, Y.T. Stage Service, reports the receipt at his office of a considerable quantity of mail intended for delivery at Cassiar Cannery, B.C.

Cassiar Cannery is a non-Post Office point on the Smithers and Prince Rupert R.P.O.

Particular care should be exercised in the sortation of mail addressed to Cassiar Cannery, B.C.

(6) Green Customs Label No. 185 Required on Letter Packets to Other Countries.—Information has been received from the Postal Administration of Pakistan that letter packets containing dutiable articles are reaching that country without the green customs label No. 185, required by international postal regulations.

As indicated in Section 523, Page 126, of the Postal Guide, the green customs label duly completed must be affixed to the address side of all letter packets containing dutiable articles destined to countries which admit them. Such packets should not be accepted for transmission without this label.

(7) Czechoslovakia—Preparation of Gift Parcels.—The Postal Administration of Czechoslovakia reports receipt of many gift parcels from abroad which are in bad condition owing to inadequate packing. Not only is the material for the outer wrapper of insufficient strength, but the paper containers used for such articles as cocoa, rice, sugar, lentils etc., are also not substantial enough to withstand the stresses of conveyance.

Neglect of senders to see that no space is left unfilled, not only inside the outer wrapping, but also in the individual packets, results in movement of the contents, failure to resist pressure, with ultimate breakdown of the containers, and dispersal of the contents.

Whenever possible mailers should therefore be reminded to take appropriate measures to ensure receipt of gift parcels in good condition in Czechoslovakia. They should also list the contents in detail indicating weight and value of each article on the accompanying customs declarations.

(8) Czechoslovakia—Entry of Gift Medicines Free of Customs Duty.—The conditions of duty free entry of medicines as gifts into Czechoslovakia during 1957 are as follows:—

1. The addressee must present to Customs:
   (a) A permit from the Czechoslovak health authorities (Ustredna antibiotik) at Praha or Oblastni antibiotika stanice in the case of antibiotics, or Okresni narodni bybor in the case of other medicines.
   (b) A declaration that he is prepared to place at the disposal of the Public Health Authorities on payment of an indemnity the possible surplus of the medicines received.

2. The wrappers of the articles in question should bear an indication that the contents are gifts. An import permit is not required for such consignments. Any abuse of this privilege will be subject to legal penalties.

   These regulations of the authorities in Czechoslovakia should be brought to the attention of interested mailers.

(9) China—Address of Mail for Quemoy (Kinmen) and Matsu Islands.—The address of mail for Quemoy (Kinmen) and Matsu Islands should include Quemoy (or Matsu) via Formosa (Taiwan) Republic of China.

(10) **Addressing of Mail for Canadian Armed Forces in Europe.**—Postmasters are reminded that the official form of address for personnel of Canadian Armed Forces in Europe is now as follows:

Canadian Armed Forces Europe.

It will be observed that three new CAPOS i.e. 5054, 5055 and 5056 have been added to those included in Notice No. 8 in the October 1956 Supplement.

(11) **Mail for Families of Canadian Armed Forces Personnel in Europe and School Teachers attached to these Forces.**—Reference is made to notice No. 8 in the October 1956 Supplement on the above subject.

The specimen forms of address included therein are amended as follows:

   Mrs. A. B. Jones,
   c/o 12345 Sgt. A. B. Jones,

The country of destination must be indicated in the address. There has been no change in the regulations respecting such mail. Civilian postage rates via England, and regulations governing civilian mails to the respective countries of destination apply. Parcels are limited to 10 lb. and cannot be insured.

(12) **Austria—Import Regulations**

Bank Notes—Austrian bank notes are admitted only under authorization from the National Bank of Austria, which is granted only in exceptional cases.

Gift Parcels

An authorization from the Austrian authorities is required if the value exceeds 1000 Austrian schilling (about $36.00). Pharmaceutical products included in gift parcels require authorization if the value exceeds 500 schilling (about $18.00). Mailers of gift parcels exceeding 1000 schilling in value should communicate with the addressees in advance to ensure compliance with the Austrian import requirements and receipt of the articles to be mailed.

Commercial Parcels

Many articles are subject to special import authorization by the Austrian authorities, and in order to avoid difficulties, mailers are advised to communicate with the addressees before mailing parcels.

The following articles are however exempt from import restriction:

1. Goods not exceeding 500 schilling (about $18.00) except cut flowers, tobacco and its products, brooms and brushes.
2. Non-dutiable articles.
3. Goods imported in bond.
4. Postage stamps not exceeding 500 schilling (about $18.00) in value.
5. Obsolete coins and medals of value to collectors.

Under the regulations governing the entry of gift parcels into Roumania individuals may receive without import permit, but subject to payment of customs duty, articles for personal use or that of their families in accordance with the following conditions:

1. Only the articles included in the list below, and in the quantities mentioned, are admitted.

2. The weight limit of parcels is 20 lb., subject to an annual limit of 55 lb. per person.

Parcels exceeding the annual limit of 55 lb. require import permits, and are liable to higher customs charges.

3. Parcels addressed to individuals sent by commercial houses or organizations of any nature, are not admitted, except those containing books, periodicals or other publications mailed under the conditions mentioned in the Weekly Bulletin of 13 October, 1956.

4. Medicines addressed to individuals are admitted on the basis of a medical prescription vised by the Roumanian Health Authorities.

The medicines must be sent in separate parcels, containing no other articles. The quantities must not exceed the limits fixed in the prescription.

5. Substances in soldered metal containers or those hermetically sealed in any other way are not admitted, except medicines.

6. Used clothing must be accompanied by a certificate of disinfection.

7. In addition to the non-adhesive Customs Declarations 16B and adhesive Declarations 91B, the mailers must insert in the parcel a detailed list specifying the articles contained therein.

Two copies of the Customs Declaration 16B must be legibly completed in detail to show number or weight, value and exact nature of the articles enclosed, and attached to the Despatch Note 15B. Each article must be indicated separately on the Customs Declaration and the list enclosed.

8. Partial customs clearance of parcels is not permitted.

9. Parcels not conforming to these regulations are returned to the senders at their expense unless the mailers have requested on the accompanying documents, that the parcels be treated as abandoned.

10. Parcels containing articles concealed with the purpose of evading customs control will be confiscated in accordance with the Roumanian regulations.

(7) **United States—Insured Parcels**—It is understood that some uncertainty exists in certain offices as regards the applicability of the notice bearing the above heading in Notice No. 12 of the January Monthly Supplement.

This notice has reference **exclusively** to insured parcels mailed in the United States for delivery in that country and in Canada. Its terms do not in any way affect parcels mailed in Canada.

(8) **Mail to Canadian Forces in the Middle East—UNEF**—Reference is made to Notice No. 9 in the December 1956 Supplement and No. 8 in the January Supplement, in regard to mail posted in Canada addressed to the Canadian element of the United Nations Emergency Force in the Middle East.

Effective immediately, this mail is to be addressed as follows:

Number, Rank, Name,
Unit,
CAPO 5048 (or 5049)
UNEF Middle East

When possible, interested mailers should be reminded accordingly.

All such mail is to be routed to Montreal for onward transmission.

(9) **Austria—Import Regulations**—It has been reported that Customs formalities and delivery of articles in Austria are being retarded by the absence or inadequate completion of the necessary documents, or by lack of required information on the wrappers.

In order to avoid such difficulties mailers should be advised to observe the following requirements of the Austrian Administration:

1. Commercial Parcels.

(a) Customs Declaration

The Customs declarations (1 adhesive form 91B, 3 non-adhesive forms 15B) should be completed in a legible manner with all the necessary details. As regards the category and nature of the merchandise the sender should employ the trade terms in common use. When possible the sender should mention the number of the respective item of the Austrian Customs Tariff, which can be obtained from the addressee in the case of repeated shipments of the same commodity. It is also advisable to indicate whether articles are sensitive to light, fragile, etc., and to indicate when applicable "Goods returned", "Warehouse" "Sample to be opened only in presence of addressee", and in case of a collective invoice, "Partial ship' ment".

(b) Documents to be Attached to Parcels

The following documents are to accompany parcels, and be mentioned on the despatch note.

1. The original or duplicate invoice; a pro forma or customs invoice is not acceptable for customs clearance.
2. A certificate of origin and a certificate of health for animal products.
3. A certificate of origin for plants and parts of plants.

(c) Notations on the Wrappers.

When necessary the following notations should be made on the wrappers: "Open here", "Open only in the presence of the addressee", "This side up", "Sensitive to light".

(d) Mailers should communicate with the addressees before mailing parcels to make sure that when necessary import permits or other import documents required can be secured by the addressee in time to clear the articles, through Customs. This is particularly important in the case of air parcels.

2. Non-commercial Parcels

The details under 1(a) above as regards Customs Declarations also apply to non-commercial consignments. When applicable the following information should appear on these documents: "gift parcel", "dowry", "inheritance", "personal effects".

(10) Czechoslovakia—Printed matter in Parcel Post must not be accompanied by other articles— Effective immediately, parcel post consignments to Czechoslovakia containing printed matter (books, periodicals, etc.) will not be delivered to the addressees if these parcels contain any articles other than the printed material.

Mailers should be informed of this regulation of the Czechoslovak Administration.

INFORMATION FOR POSTMASTERS

(1) **Headquarters Appointment.**—The Postmaster General has announced that Mr. G. A. Boyle, Chief Executive Officer, was appointed to the position of Associate Deputy Postmaster General effective April 1, 1957. This step was taken so that the Deputy Postmaster General will be free to devote all his time to the work of the Universal Postal Union Congress, which is to be held in Ottawa later this year.

(2) **Transmission of Honey Bees by Parcel Post.**—Postmasters are informed that honey bees must not be accepted for transmission in the mails if baggage car service or catch-post service is necessary. Shippers should consult the District Director of Postal Service for information as to places to which honey bees may be sent. (See Section 189 of the Postal Guide.)

(3) PARCEL POST RATES

Northern British Columbia

Parcels posted at or addressed for delivery at the following points are subject to postage at the rate of 20¢ for the first pound and 15¢ for each additional pound or fraction of a pound the year round:

Atlin, B.C.
Cassiar, B.C.
Fort Nelson, B.C.
Germansen Landing, B.C.
Lower Post, B.C.
Manson Creek, B.C.
Muskwa, B.C.
Pink Mountain, B.C.
Takla Landing, B.C.
Telegraph Creek, B.C.
Tulsequah, B.C.
Wonowon, B.C.

Hay River, N.W.T.

The ordinary parcel post rates for the Province of Alberta are applicable to parcels posted at or addressed for delivery at Hay River, N.W.T.

(4) Letter Carrier Delivery Service Established at Asbestos, P.Q.—A letter carrier delivery service has been established at Asbestos, P.Q. and the name of this Post Office should be added in alphabetical order to the list in Section 286, Page 86 of the Postal Guide at which points letters and parcels prepaid for special delivery may be delivered by special messenger.

(5) Similarity in Post Office Names.—Attention is again drawn to the fact that a considerable quantity of mail addressed to Ayers Cliff, P.Q. is being received at the St. Francois de Sales Station, P.Q. Post Office.

Apparently mail intended for Ayers Cliff is being misdirected to St. Francois de Sales Station in view of the similarity in the name of a new housing development near St. Francois de Sales, P.Q. known as "Aresville" which is served through St. Francois de Sales Station, Rural Route No. 1.

Postmasters are again requested to exercise particular care in the sortation of mail addressed Ayers Cliff, P.Q. and Aresville, P.Q. and see that only correspondence addressed to the latter point is forwarded to the St. Francois de Sales Station, Post Office, P.Q.

The Postmaster at Baddeck, N.S. reports the receipt at his office of a considerable quantity of mail addressed to New Haven, N.S. While mail for South Haven, N.S. is delivered via Baddeck, N.S., mail for New Haven, N.S. should be forwarded to Ingonish, N.S. for distribution.

The Postmaster, Taylor, B.C., also reports the receipt at his office of a considerable quantity of mail addressed to—Taylors, S.C. (South Carolina), U.S.A., due no doubt to the similarity in the abbreviation of the State of South Carolina and the province of British Columbia.

A considerable quantity of mail addressed to Whitla, Alta. is being received at the Whitelaw, Alta. Post Office.

Whitla, Alta. is served by Medicine Hat and Lethbridge, B.C.S. while Whitelaw, Alta. is served by McLennan and Hines Creek R.P.O.

Particular care is to be exercised in the sortation of mail for these Post Offices.

(6) Addressing of Mail for Canadian Armed Forces in Europe.—It should be noted that CAPO 5057 should be added to the list of CAPO's included in Notices No. 10 and 11 of the March 1957 Supplement.

*Winter only. ** Summer only.

The ordinary (surface) rates of postage apply to all classes of mail conveyed to and from other Post Offices in Canada served by air stage service not included in the foregoing list.

NOTE.—Schedule C—Aiyansh, second class matter, ordinary surface rates.

(2) **Improperly Packed Parcels.**—It has been reported that there is an increasing number of improperly packed parcels being presented for mailing.

Whenever possible Postmasters should impress upon mailers the importance of securely wrapping and tying their parcels before mailing.

It should be explained to them that their co-operation in this respect will be to their advantage because when properly prepared and packed, the parcels reach their destination more promptly and in good condition.

(3) **New Air Mail Service—Sept Iles—Schefferville A.M.S. (C.A.M.66).**—A new air mail service has been inaugurated between Sept Iles and Schefferville, P.Q. to operate on a frequency of six round trips per week.

Only first class mail and parcels prepaid at air parcel post rates will be conveyed over this air mail service. Other classes of mail are conveyed by surface transport at ordinary rates of postage.

(4) **PARCEL POST RATES**

Northern British Columbia

Postmasters are reminded that parcels posted at or addressed for delivery at the following points are subject to postage at the rate of 20c for the first pound and 15c for each additional pound or fraction of a pound **the year round:**

Atlin, B.C	Muskwa, B.C.
Cassiar, B.C.	Pink Mountain, B.C.
Fort Nelson, B.C.	Takla Landing, B.C.
Germansen Landing, B.C.	Telegraph Creek, B.C.
Lower Post, B.C.	Tulsequah, B.C.
Manson Creek, B.C.	Wonowon, B.C.

Hay River N.W.T.

The ordinary parcel post rates for the Province of Alberta are applicable to parcels posted at or addressed for delivery at Hay River, N.W.T.

(5) **Similarity in Post Office Names.**—The Postmaster at Stephenville, Newfoundland reports that a considerable quantity of mail addressed Harmon Field, Stephenville and Stephenville Crossing is being received at his office.

Harmon Field, Newfoundland, invariably has the word Stephenville added to the address and it is missent to Stephenville, Newfoundland, thereby causing inconvenience and delay.

As Harmon Field, Stephenville and Stephenville Crossing are three separate Post Offices particular care should be exercised in the sortation of mail addressed to these Post Offices.

The Postmaster at Albion, B.C. reports that a considerable quantity of mail addressed to Port Albion, B.C. is being received at his office.

Albion, B.C. is served via Harrison Hot Springs and Vancouver Highway Service, while Port Albion, B.C. is served from Port Alberni, B.C., on the Nanaimo and Port Alberni Highway Service.

Particular care should be exercised to see that mail addressed to Port Albion, B.C. is despatched on the Nanaimo and Port Alberni Highway Service and not sent to Albion, B.C.

The Postmaster, Sarnia, Ontario, reports the receipt at his office of a considerable quantity of mail addressed to Osborne, Ontario, a former Post Office located near Sarnia. However, this mail is intended for Osborne, Ontario, a railway point on the Ontario Northland Railway between North Bay and Englehart.

Particular care should be exercised to see that mail addressed to Osborne, Ontario is sent to Tomiko, Ontario, and not to Sarnia, Ontario.

The Postmaster at Youbou, B.C. reports the receipt at his office of a considerable quantity of mail addressed to Yarrow, B.C. and Yukon.

Youbou, B.C. receives mail via Victoria and Nanaimo Highway service, the distributing office being Duncan, B.C. Yarrow, B.C. is served on the Hope & Vancouver Highway Service.

Particular care should be exercised to see that mail addressed to Yarrow, B.C. and Yukon is not sent to Youbou, B.C.

The Postmaster at Thornhill, Ont., also reports the receipt at his office of a considerable quantity of mail addressed to Thornhill, Man. He also advises that mail for Thornhill, Ont. is being missent to Thornhill, Man.

Particular care should be exercised in the sortation of mail for these Post Offices.

(6) **United States—Customs Clearance and Delivery Fee.**—Effective immediately the customs clearance and delivery fee formerly collected from the addressees of all parcels received in the United States from other countries will be levied only on those subject to customs duty. This fee has been increased to 33c on parcel post shipments.

Similarly the customs clearance fee on other classes of mail subject to customs control will now be collected only on such articles which are actually subject to customs duty. This fee is now 13c.

Enquirers may be furnished with the above particulars.

(7) **International Reply-Paid Postcards From the United States.**—International reply-paid postcards originating in the United States and prepared in accordance with the relative regulations as outlined in Sections 536 and 537, pages 127 and 128, of the Canada Official Postal Guide, 1955 are apparently being

refused acceptance as fully prepaid when the reply halves bearing United States postage stamps are returned to the senders in the United States.

Postmasters and all others concerned are therefore reminded that the reply halves of international reply-paid postcards prepaid with imprinted postage or postage stamps of the country of origin, are to be accepted as fully prepaid for return to the mailers, provided the two halves of the cards were attached when received in Canada.

(8) **Argentina—Dutiable Articles in Letter Mails.**—The Postal Administration of Argentina reports the receipt of dutiable articles in regular mails not properly prepared in accordance with their import regulations.

Whenever possible mailers should therefore be reminded that dutiable articles, except parcel post shipments, destined to Argentina must bear a completed green customs label No. 185, and an endorsement reading "Green Customs label".

In addition two copies of non-adhesive Customs declaration 15b, completed with details of the contents and the net weight, are to be enclosed in such packages.

(9) **Republic of the Philippines—Postage Rates.**—Receipt in the Philippines of shortpaid correspondence originating in Canada indicates that mailers of such matter are not prepaying their mail properly.

Whenever possible interested mailers should be reminded that the air mail rate to the Philippines is 25c per half ounce; surface letters are subject to postage of 6c for the first ounce and 4c for each additional ounce or fraction thereof.

(10) **International Parcel Post—Certificates of Distinfection.**—Information has been received that many parcels containing used wearing apparel in which the mailers have inserted certificates of disinfection as required by the country of destination do not bear an endorsement to this effect on the wrapper. Such parcels are returned to the office of origin for the necessary certificate with consequent delay in transmission.

In order to avoid any misunderstanding in this connection mailers should be advised to write on the cover of parcels containing such certificates the words, "Certificate of disinfection enclosed".

The countries which require the enclosure of certificates of disinfection in parcels containing used clothing are as follows:

Albania
Argentina
Bolivia
Bulgaria
Czechoslovakia
Ecuador
Greece
Jamaica
Republic of Honduras
Italy
Paraguay
Peru
Roumania
U.S.S.R.

(11) **Lebanon and Libya—Similarity in Post Office Names.**—Mail for Tripoli Libya, and Tripoli-Liban and Tripoli-Marine Lebanon is sometimes misdirected with resulting long delays in delivery.

Mailers should therefore be cautioned to indicate the name of the country of destination (Libya or Lebanon) very clearly in the address on mail for these destinations, in order to ensure proper routing and prompt delivery.

(12) **Roumania—Gift Parcels.**—The list of articles which may be included in gift parcels to Roumania published in notice No. 13 in the March Supplement should be amended by the insertion, in **Section V Medical articles for home use** on page 9, of item 12.—Ice bags 1 article.

(13) **Panama—Dutiable articles in Letter Mails.**—The Postal Administration of Panama reports the receipt from other countries of dutiable articles in letter mails not bearing the required green label No. 185 duly completed. This omission gives rise to serious difficulties in that administration.

Interested mailers should therefore be reminded that the green Customs label No. 185 must be completed and affixed to the address side of letter packages containing dutiable articles destined to Panama, as well as all other countries which admit such articles in the letter mails.

(14) **Argentina—Gift Parcels.**—Gift parcels for personal use addressed to individuals in Argentina are subject to the following regulations:

No person may receive more than one such parcel per year, and its value may not exceed $10. The contents may not include more than 3 items of any 1 kind, or more than 2 items of nylon clothing, regardless of kind. Not more than 6 phonograph records may be included, 2 of which may be alike.

If the above limits are exceeded, or if a parcel sent as a gift appears to be intended for commercial purposes, duty may be charged at penalty rates or the parcel may be treated as undeliverable.

The Postal Guide will be appropriately amended.

(15) **Mail for Canadian Forces in Europe.**—Postmasters are advised that the official form of address for R.C.A.F. personnel in Italy is as follows:—

Number, Rank, Name,
Unit,
C A P O 5047,
Canadian Armed Forces Europe.

Mailers where possible should be informed accordingly.

The postage rates applicable are those at present in effect from Canada to the Canadian Armed Forces stationed in Europe.

All such mail in accordance with normal procedure is to be routed to Montreal for onward transmission.

(16) Mail Service to and from H.M.C.S. Labrador.—All classes of mail including parcel post are acceptable for transmission to and from the crew of H.M.C.S. "Labrador" while on Arctic operations this summer at the domestic postage rates applicable to mail to and from Montreal, P.Q. There will be no registration or insurance service available except for Official registered mail despatched from Halifax, Victoria, Ottawa and Montreal.

It should be noted however that between Montreal and the "Labrador", in both directions, conveyance is through special channels. It will be necessary at times to air drop mail to the H.M.C.S. "Labrador" and mailers should be warned not to mail items of a fragile nature and parcels should be adequately packed, wrapped and tied with heavy cord.

All mail for the H.M.C.S. "Labrador" is to be addressed as follows:

Rank, Name, Number
Mess Number,
H.M.C.S. "Labrador"

The senders will fill in the forms (in duplicate) and also complete the tags before the C.O.D. articles are brought to the post office. The postmaster will then check the entries with the articles, date stamp and initial the C.O.D. sheets and carbon copies. He will then detach the carbon copies and file them as his record. The original copies will be retained by the firms as their receipt. These forms may be obtained on requisition in the usual way.

INFORMATION FOR POSTMASTERS

(1) Similarity in Post Office Names.—In Notice No. 2 of the Supplement of September 1955, reference was made to mail addressed to R.C.A.F. Station, Penhold, Alberta, being mis-sent to the Penhold, Alberta Post Office.

A considerable quantity of mail is still being received at the Penhold, Alberta Post Office, clearly and distinctly addressed to R.C.A.F. Station, Penhold, Alberta.

Particular care should be exercised to see that mail for R.C.A.F. Station, Penhold, Alberta is not included with mail for Penhold, Alberta Post Office.

A considerable quantity of mail addressed to Longlac, Ontario, is being received at the Long Lake, Ontario Post Office.

Longlac, Ontario receives mail via Capreol and Armstrong Station RPO and via Longlac & Fort William H.S.

Long Lake, Ontario is served by Kingston and Sharbot Lake H.S. through Parham, Ontario and via Smith Falls and Toronto RPO through Mountain Grove, Ontario.

Particular care should be exercised in the sortation of mail addressed to Longlac, Ontario.

(2) Roumania—Gift Parcels.—Reference is made to the notice in the March 1957 Supplement, and amendments in the April and July Supplements on the above subject containing the Roumanian import regulations and a list of admissible articles.

Information has now been received from Roumania that gift parcels are reaching that country containing articles not included in the list of admissible goods, so that return of the parcels to the senders is necessary. Footwear is specially mentioned as unauthorized enclosures being received in gift parcels. Only the materials for making shoes may be sent to Roumania as indicated on page 9 of the March Supplement.

The attention of mailers of gift parcels to Roumania should be specially directed to the regulations in question, which must be complied with in order to have gifts delivered to the addressees in Roumania. Parcels known to contain unauthorized enclosures should not be accepted.

(3) Hungary—Dutiable Articles in Letter Packages.—Medicines, serums and vaccines may now be enclosed in letter packages mailed by individuals in other countries to individuals in Hungary. As indicated in Notice No. 6 in the May 1957 Supplement, they may also be mailed to State enterprises and institutions in Hungary. Forwarding by letter mail is recommended in order to ensure expeditious Customs clearance.

Dutiable articles of any other kind are still prohibited entry to Hungary in letter mails when addressed to individuals. Such articles may, however, be sent to State enterprises and institutions in Hungary.

INFORMATION FOR POSTMASTERS

(1) **Changes in Headquarters' Organization**—Mr. H. D. W. Wethey was appointed as Chief Engineer, Mechanical and Engineering Division, Operations Branch on October 1st 1957, replacing Mr. G. C. Widdup whose last day of duty was September 30th 1957.

Mr. A. N. Budden, who by special arrangement had been devoting his time exclusively to the Winnipeg and Vancouver buildings has now been re-assigned to his proper duties of Superintendent of the Division.

Mr. T. Bond has been permanently assigned as Chief Superintendent, Post Office Service, and Mr. C. Daze as Chief Superintendent, Methods and Enquiries, Operations Branch.

(2) **Letter Carrier Delivery Service.**—Letter carrier delivery service has been established at the following places:

Richmond Hill, Ont.
New Waterford, N.S.
Bathurst, N.B.
Newmarket, Ont.
Ste-Anne-de-Bellevue, P.Q.

The names of these post offices should be added in alphabetical order to the list of offices in Section 286, Page 86, of the Postal Guide at which special delivery service is given.

(3) **Changing of Date Stamp.**—The attention of Postmasters is directed to the necessity of changing their office date-stamp at the beginning of the new calendar year to read "1958".

(4) Calendars.—To be Carefully Handled.—At this time of the year business firms are preparing to mail quantities of calendars to clients and prospective customers throughout the country. The calendars are, in many cases, printed at considerable expense and are valuable not only to the recipient but to the business firm as an advertising medium.

It is important, therefore, that the calendars should be delivered carefully and Postmasters are requested to exercise care in the handling of these items during the course of post.

In the event of delivery not being effected and the calendar bears a return address on the cover, the calendar should be returned to the sender.

(5) Winter Air Stage Service—Montmagny-Isle aux Grues.—An Air Stage Service will again be in operation this coming winter season between Montmagny, P.Q., and Isle aux Grues, P.Q., from approximately 15th November to 30th April.

This service will operate on a frequency of three round trips per week.

Ordinary (surface) rates of postage will apply to all classes of mail conveyed over this Air Stage Service.

(6) Winter Air Stage Service—Baie St. Paul-Isle Aux Coudres.—An Air Stage Service will again be in operation this coming winter season between Baie St. Paul and Isle aux Coudres P.Q. from approximately 15th December to 14th March.

This service will operate on a frequency of 6 round trips per week.

Ordinary (surface) rates of postage will apply to all classes of mail conveyed over this Air Stage Service.

(7) Similarity in Post Office Names.—The Postmaster at Evarts, Alta. reports receipt at his office of a considerable quantity of mail, both letters and parcels, addressed to Ewart, Manitoba. Evarts, Alberta is served by Red Deer and Rocky Mountain House H.S., while Ewart, Manitoba is served by Reston & Wolseley BCS.

The Postmaster at Innisfail, Alberta, reports the receipt at his office of a considerable quantity of mail, both letters and parcels, addressed to Innisfree, Alberta.

The Postmaster at Tonkin, Sask. reports the receipt at his office of a considerable quantity of mail plainly addressed to Tompkins, Sask.

The Postmaster at Byemoor, Alta. reports that mail addressed to Berrymoor, Alta., Beynon, Alta., and Eyremore, Alta. continues to be received at Byemoor, Alta.

Particular care should be exercised in the sortation of mail addressed to these Post Offices.

The Postmaster at Danville, P.Q., also reports that a considerable quantity of mail addressed to St-Adrien-d'Irlande, Megantic County, P.Q., is being received at his office. While St-Adrien Post Office, P.Q. is served through Danville, P.Q., the St-Adrien-d'Irlande, P.Q. Post Office is served via Sherbrooke and Thetford Mines Highway Service through Black Lake, P.Q. Post Office.

The Postmaster, Danville, P.Q., also states that a considerable quantity of mail addressed to St-Camille-de-Bellechasse, P.O., is being received at his office. The St. Camille, P.Q. Post Office receives mail via Danville, P.Q. but the St-Camille-de-Bellechasse Post Office is served by Lac-Frontiere & Langevin Highway Service.

Particular care should be exercised in the sortation of mail addressed to St-Adrien-d'Irlande, P.Q. and St-Camille-de-Bellechasse, P.Q.

(8) Acknowledgement of Receipt (A.R.) cards shortpaid for transmission to other countries.—Information has been received that A.R. cards for transmission to overseas destinations are reaching despatching exchange offices insufficiently prepaid.

Postmasters and all others concerned are therefore reminded that A.R. cards accompanying registered articles, or mailed subsequently, for transmission to overseas destinations must be fully prepaid when posted. An amount to cover the relative fee in full is to be collected from the sender when the card is issued, and the postage representing this amount affixed to the card.

(9) Insured Label 176.—Insurance Label 176 must be affixed to Insured Air Parcels addressed to Other Countries in the same manner as for Surface Parcels—

Postmasters are advised that insured parcels are still being received in Great Britain from Canada without the required insurance label No. 176.

The attention of all postal employees is, therefore, directed to the necessity of affixing label No. 176 to each insured parcel addressed to another country—surface or air. The insurance number must also appear on the parcel. The purpose of this red label is to make certain that insured parcels will be observed at the Despatching Exchange Office and properly handled. The absence of the label in the case of insured air parcels results in delay of delivery and may result in their being treated as ordinary parcels.

Postmasters should make requisition for these labels if necessary from their usual source of supply.
